

1

1. Learners remember everything. They simply cannot retrieve some information at certain times.
2. Physical education improves learner performance in mathematics and literacy.
3. Offering learners the opportunity to struggle leads to better learning.
4. We are multi-taskers...although some better than others.
5. This present generation of learners are digital natives and thus learn better with technology.
6. Completing a significant amount of reading, note-taking, and problems leads to better learning.
